If you have an item of news, please call up The Ledger, Telephone 33, and let us have it.

The manner in which Dr. H. K. Adamson was treated by two of his trusted and bosom friends in his recent canvass for a place on the Board of Education was shameful, to say the least.

We are showing a fine line of Diamonds, some of the very newest settings. Our \$5 Diamond Ring is a beautiful cut stone as nicely cut as the \$100 Diamond. Beautifully mounted, this ring sells every where for \$10, our price \$5. Other Diamonds sold in same proportion.

MURPHY, the Jeweler.

Mr. Fred Weber has returned to his home near Mayslick from a Cincinnati hospital where he had undergone a delicate surgical operation. While using a hatchet several weeks ago a splinter from it flew into his eye. Local physicians failing to remove it the pain became so great he went to Cincinnati for treatment and had the particle removed.

Prof. J. Arthur Mitchell, late Principal of the Plum Street Public School here and now Superintendent of the Bardwell Graded and High School, writes to a friend here as follows: "I have pleasant work here. Nearly all of the pupils in my room are grown. I have five assistants—four ladies and one gentleman. Our work is moving nicely, and I am told that every one is well pleased. Our town has about 2,000 people. They are pleasant and sociable and all of our neighbors are fine. Mrs. Mitchell and I are well pleased," &c.

There is no question as to the capability of brothers Ed. Myall and George H. Frank running a Christian Convention successfully; their ability in that direction was fully demonstrated a few weeks ago. But politics and religion are dissimilar in every respect and conducted on divergent lines. A good Christian is a failure as a politician and a successful politician is up in the clouds when he essays a religious role. Both gentlemen have awakened to the fact that politics is one thing and conducting a Sunday-school another. They are now convinced they were born for something other than a politician.

FRAUD RIDDEN LOUISVILLE

Rascally Methods of the Gang Will Be Fully Investigated

The managers of the Fusion party announce that they have decided to contest in the Courts the election of the Democratic ticket for municipal offices and members of the Legislature in Louisville.

It is alleged that in 14 precincts no election was held at all, owing to the disappearance of the election paraphernalia.

In 14 additional precincts the ballot-boxes were confiscated by Democratic workers before the returns were certified to, thus allowing the results to be falsified.

Finally that in a large number of other precincts gangs of armed thugs and repeaters, abetted in some instances by the police, cast many fraudulent ballots, besides preventing lawful voting.

WELL, how are you, Judge STAIRS?

It's all over now, except the shouting—and some of the settling.

PLEASE observe that the "Bosses" ticket polled the smallest Republican vote that has been cast in Mason county within twenty years.

TUESDAY was a rather bad day for political Bosses—from Philadelphia via Maysville to Cincinnati;—but there stands Louisville!

JIMMY OUTTEN, the newly elected City Clerk, got more votes than both his competitors; and he says he could have beaten six just as easily as he beat two.

THERE is such a thing as a fellow's hat growing too small when he gets into a 4 x 2½ office; and it is hoped that no such misfortune will overtake any of the clever fellows just elected in this city.

WHAT a pity the Blue Tickers didn't propose to donate their entire salaries to Charity; that would have put the White Tickers "on the run"—if it were possible for them to run any faster than they did.

THE Government has taken steps to prevent the importation into this country of egg yolks mixed with borax, a product coming from China and used, it is said, by wholesale bakers when American eggs are high; and so we have not reached the henless egg, or the eggless—or where are we at?

REAL ESTATE DEALER

HAVING corralled a million or so in the "Boss" business, it is probable that the late GEORGE B. COX of Cincinnati may be able to pull through the coming winter without being forced to hunt another job.

YOUR Uncle Samuel is mad. The State Department, after a conference with the naval officials and communication by cable with Consul General LAY at Canton, China, has arranged that that official shall accompany the Viceroy of Canton on a Chinese gunboat to Lienchow, about 300 miles up the West river, to investigate the massacre of the five Presbyterian Missionaries at that place.

UPON the outcome of Poland's fight for liberty depends the exodus from Chicago of more than 25,000 Polish residents. Chicago's entire Northwest side is aflame with sentiment of repatriation. The Poles who are leading the movement for the return to their native land declare that upon the granting of complete liberty and the restoration of calm 25,000 Poles will leave Chicago within ten months and that 25,000 more will follow within twenty months. If I lived in Chicago I would hire a corps of good prayers to pray for Poland's freedom.

SPEAKING of the overwhelming defeat of Boss Rule in Cincinnati, The Times-Star says—

"It means that the Republicans must adopt a liberal and fair method of nomination for officers—a method which will express the opinion of the voters in the party ranks."

By the same token, the reduced vote and the signal defeat of the Boss ticket in Mason county mean that the Republicans of this city and county will no longer indorse nominations dictated by any single individual and ratified by a few dozen persons gathered from the street corners and the lazy seats of the Esplanade at so much per head. They, too, will hereafter insist on "nominations made by a method which will express the opinion of the voters in the party ranks."

It is said that John L. Shuff, who was an ardent worker for Pattison, can be the new State Oil Inspector of Ohio if he wants the place, which pays \$12,000 a year.

I therefore let you know that I shall recommend them to any one suffering from such troubles." Chas. H. Halpern, 114 E. 7th St., New York, N. Y.

A FOOLISH PLAN

"Tis a joy to eat—I welcome my dinner hour; Because I rout indigestion with August Flower!"

Constipation is the result of indigestion, biliousness, flatulency, loss of appetite, self-poisoning, anemia, emaciation, uric acid, neuralgia in various parts of the system, catarrhal inflammation of the intestinal canal and numerous other ailments that rob life of its pleasures if they do not finally rob you of life itself.

"I'm bound in the bowels," is a common expression of people who look miserable and are miserable—yet who persist in "letting nature take its course."

What a foolish plan, when nature could be aided by the use of Green's August Flower, which is nature's own remedy for constipation and all stomach ills.

August Flower gives new life to the liver and insures healthy stools.

Two sizes, 25c and 75c. All druggists.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; ninetenths out of ten are cured by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness caused by catarrh that cannot be cured by Druggists' Cures. Send for circulars free.

MISTAKES....

Are frequently far reaching, and universally so when one buys any article other than the very best in the way of supplies for the table. The country is full of stale, inferior and poisonous stuff, which is every day being palmed off on an unsuspecting public for good and wholesome foods. Because of this the straightforward, honorable and conscientious dealers throughout the country are united in an effort to induce Congress to pass a universal pure food law, which will prohibit the manufacture and sale of impure and poisonous foods, such as are now being sold by unscrupulous dealers, and consequently drive out of business all the "cheap john" concerns that deal only in such stuff. I began business in Maysville over twenty-five years ago—determined to only handle the best, act honorably with my customers and never misrepresent anything to make a sale. Whatever of success I have had with you I attribute to it at all times standing by that determination. My experience of more than forty years in the business has qualified me to know the good from the bad when making my purchases, and has also satisfied me the true road to success is to deal fairly and honorably with the public, sell the best goods at fair prices and never practice deception to make a sale.

I am now getting in my larger purchases for the fall and winter trade and I do not hesitate to say that when all in and opened up I shall have the largest, cleanest, most varied stock of high grade goods ever offered in our city. My stock of Canned Goods and Fancy Groceries of all kinds will be immense, bought at the lowest prices any jobber can buy them, very much lower than such goods can be bought at today, consequently I shall be prepared to meet any and all competition. My special brands of Red Canvas Hams and Breakfast Bacon and fine Leaf Lard are becoming more popular each day with those who only want the very best.

Perfection Flour is the leading flour and the sales are increasing rapidly because it has been proved to be the best and purest sold in this market; always reliable. I don't have to be continuously changing to find something better. It is truly what the word implies—Perfection.

In fine Blended Coffees I have the run, because I sell only the best at reasonable prices, always fresh, still going at 15c, 20c and 25c. I want every person to visit my store, and a special invitation is extended to country people when in our city to make my house their headquarters. You are always welcome, and it will be the old-fashioned Kentucky kind. I pay cash for Butter, Eggs, Poultry and Country Produce such as I need; and my trade, but will only buy the very best. If I please you I want you to be sure and tell all your neighbors and friends. If anything wrong, come direct to me and don't mention it to any one else; I make everything right.

STOP! WOMEN,

AND CONSIDER THE ALL-IMPORTANT FACT

That in addressing Mrs. Pinkham you are confiding your private ill to a woman—a woman whose experience with women's diseases covers a great many years. You can talk freely to a woman when it is revolting to relate your private troubles to a man—besides a man does not understand—simply because he is a man.

Many women suffer in silence and drift along from bad to worse, knowing full well that they ought to have immediate assistance, but a natural modesty impels them to shrink from exposing themselves to the questions and probably examinations of even their family physician. It is unnecessary. Without money or price you can consult a woman whose knowledge from actual experience is great.

Mrs. Pinkham's Standing Invitation:

Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham at Lynn, Mass. All letters are received, opened, read and answered by women only. A woman can freely talk of her private illness to a woman; thus has been established the eternal confidence between Mrs. Pinkham and the women of America which has never been broken. Out of the vast volume of experience which she has to draw from, it is more than possible that she has gained the very knowledge that will help your case. She asks nothing in return except your good-will, and her advice has relieved thousands. Surely any woman, rich or poor, is very foolish if she does not take advantage of this generous offer of assistance.—Lydia E. Pinkham Medicine Co., Lynn, Mass.

Following we publish two letters from a woman who accepted this invitation. Note the result.

First letter.

"Dear Mrs. Pinkham:—

"For eight years I have suffered something terrible every month with my periods. The pains are excruciating and I can hardly stand them. My doctor says I have ovarian and womb trouble, and I must go through an operation if I want to get well. I do not want to submit to it if I can possibly help it. Please tell me what to do. I hope you can relieve me."—Mrs. Mary Dimmick, 96th and E. Capitol Sts., Benning P. O., Washington, D. C.

Second letter.

"Dear Mrs. Pinkham:—

"After following carefully your advice, and taking Lydia E. Pinkham's Vegetable Compound, I am very anxious to send you my testimonial, that others may know their value and what you have done for me."

"As you know, I wrote you that my doctor said I must have an operation or I could not live. I then wrote you, telling you my ailments. I followed your advice and am entirely well. I can walk miles without an ache or a pain, and I owe my life to you and to Lydia E. Pinkham's Vegetable Compound. I wish every suffering woman would read this testimonial and realize the value of writing to you and your remedy."—Mrs. Mary Dimmick, 96th and E. Capitol Sts., Benning P. O., Washington, D. C.

When a medicine has been successful in restoring to health so many women whose testimony is so unquestionable, you cannot well say, without trying it, "I do not believe it will help me." If you are ill, don't hesitate to get a bottle of Lydia E. Pinkham's Vegetable Compound at once, and write Mrs. Pinkham, Lynn, Mass., for special advice—it is free and always helpful.

Elks Invited to Social Session to Meet Frank Fogarty

Maysville Lodge No. 704, B. P. O. E., has engaged the services of Frank Fogarty of Brooklyn, N. Y., to put on a minstrel show sometime during this month.

Mr. Fogarty was formerly with Al. G. Field, and is fully qualified to put on a show that will be in every respect a financial as well as an artistic success.

Mr. Fogarty will arrive in Maysville this afternoon, and attractive postals have been sent out to all the members of the Lodge, inviting them to meet him Monday evening at 8 o'clock at the Elks Home in Front street.

John J. Reynolds is the newly-elected Mayor of Flemingsburg, with H. O. Dudley Police Judge.

Fleming county now has a lady County School Superintendent, Miss Anna Six having been elected to that position this week. She and Editor W. M. Wilt, Representative, were the only Republicans elected in Fleming county.

THE LIQUOR LAW

Provisions Applying to Sale of Whisky to Known Drunkards

The attention of saloon-keepers and liquor sellers in the city of Maysville is respectfully invited to the following plain provisions of the law as to the sale, &c., of whisky, &c., to men who are inebriated—or, in other words, who are professional drunkards.

The first quotation is from the Statutes of Kentucky—

Section 1307. *Selling or Furnishing to Inebriates—Penalty—Civil Action*—Any person who shall sell, lend, give, procure for, or furnish spirituous, vinous or malt liquors, or any mixture of either, knowingly, to any person who is an inebriate, or in the habit of becoming intoxicated or drunk by the use of any such liquors, or who shall suffer or permit any such person to drink any such liquors in his barroom, saloon, or upon the premises under his control or in his possession, shall be fined for each offense \$50.

Section 4204 applies this penalty to taverns, merchants, distillers and druggists who sell liquor under license granted by County Courts.

Section 2 of the city ordinance, under which the saloon-keepers of Maysville are licensed, is identical with Section 1307 of the Statutes above quoted.

In view of these plain laws, how is it that a certain father and son can keep full of whisky as long as they have a dime, or as long as their credit is good?

The first thing the dealers who sell or "lend" to them know, some one will proceed against them.

OLD AGE BROUGHT ON INFIRMITIES

To "The Autocrat of the Breakfast Table."

Oliver Wendell Holmes, after eighty years of life had rolled over his head, declared that he was "eighty years young." "So may every man and woman in Maysville," said Druggist John C. Pecor, "if they will take proper care of themselves, keep built up and their bodily tissues from wasting."

"We wish we could persuade every person in this vicinity who 'feels old,' whether they are so in years or not, to take Vinol. It is by far the greatest tissue builder and invigorator we know of for old people. Vinol is not a patent medicine, but simply contains the body-building, strength-creating properties of cod liver oil actually taken from fresh cods' livers, and we guarantee that it will repair worn tissues, check the natural decline and replace weakness with strength."

"There are hundreds of old people in this vicinity who need just such a strength-maker and tissue-builder as Vinol. Their blood is thin, sluggish and watery, but we guarantee that Vinol will enrich and quicken the blood and build up and strengthen every organ in the body. Vinol contains no whisky or strong stimulants, which have a bad after effect and weaken and break down, and we wish every old person in this vicinity would try Vinol on our guarantee to return their money if they are not satisfied."

JOHN C. PECOR, Druggist.

The L. and N. has broken ground for a new office building at Paris.

There are still some twenty cases of small-pox reported from the Western section of Fleming county.

Mr. Martin M. Durrett of Covington was defeated at the late election for Representative from Kenton county.

Miss Elizabeth Samuel of Poplar Plains, Fleming county, and Mr. James Wheatley of Pittsburgh were married at the Gibson House, Cincinnati, Wednesday.

In Paraguay the women are in the proportion of seven to one as compared with the men. The consequence is that the men are taken the greatest care of, and everything which is unpleasant or might be risky to the life of a man is done by a woman. The streets are cleaned, ships are loaded, oxen are driven by them, and it is even said that they have taken part in their country's wars, acting as substitutes for their men folk.

Some Maysville People Have Learned How to Get Rid of Both.

Backache and kidney ache are twin brothers. You can't separate them. And you can't get rid of the backache until you cure the kidney ache.

If the kidneys are well and strong, the rest of the system is pretty sure to be in vigorous health.

Doan's Kidney Pills make strong, healthy kidneys.

Mrs. J. B. Gibson, of 22 East Fourth street, Maysville, Ky., says:

"The prompt and thorough action of Doan's Kidney Pills should recommend them to every one suffering from backache or kidney troubles. I have known the value of this remedy for several years. Its use in my case proved to me that it is a reliable kidney cure and cannot be excelled for backache or weaknesses of the kidneys. I have recommended Doan's Kidney Pills before and I should advise every sufferer to get a supply at J. Jas. Wood & Son's Drugstore and try them."

ECZEMA ON LITTLE GIRL

**Sleepless Nights for Mother

CURED BY CUTICURA

**Had Given up All Hope of Ever
Making Any Cure.**

Mrs. I. B. Jones, Addington, Ind.
T., writes: "My little girl had been
suffering for two years from eczema,
and during that time I could not
get a night's sleep, as her ailment
was very severe. I had tried so many
remedies and spent so much money,
deriving no benefit, I had given up
all hope of making any cure. As a last
resort I was persuaded to try Cuticura,
and to my great delight a marked
change was manifested from the first
application. I gave the child a bath
with Cuticura Soap, using a soft piece
of muslin cloth. This I did twice a
day, each time following with Cuti-
cura Ointment, and at the same
time gave the Resolvent, according to
directions. One box of Ointment
and two bottles of the Resolvent, to-
gether with the Soap, effected a per-
manent cure. I submit this for pub-
lication, hoping it will assist other
sufferers in curing themselves."

COMPLETE TREATMENT

**Consisting of Cuticura Soap
Ointment and Pills.**

The first step in the treatment of
chronic Eczema is to remove the
scales and crusts and soften the skin,
by warm baths with Cuticura Soap.
Dry carefully and apply Cuticura
Ointment, lightly at first, and where
advisable spread it on pieces of soft
cloth and bind in place. Take the
Resolvent Pills, or liquid, in medium

The man who sells XTRAGOOD boys' clothes for
Ederheimer, Stein & Co., Chicago, is coming to see
us within ten days. We will give free any XTRAGOOD
suit in our store to the first clever boy under 16 years
of age who finds THIS man before he leaves town.

WHAT YOU MUST DO

When you think you have found the right man,
say to him: "You are from Ederheimer, Stein & Co.,
Chicago, and sell XTRAGOOD Clothes." Remember
these words. If you say anything else he will not
answer.

While this is giving the little men considerable
attention; we are yet mindful of the fancies of those
who have passed the happy age of sixteen. IN MEN'S
CLOTHING and Furnishings we have all that good
dressers desire.
